XIV. Licensee shall ensure safety and security of all overground installations/utilities/facilities and shall be solely responsible for compensation/indemnification of the concerned authority for damage caused/claims or replacement sought, at the cost and risk of licensee.

XV. Any Requisition and Acquisition of land for the purpose of establishment of mobile tower and other telecom infrastructures should follow the procedures as provided under the Nagaland Land (Requisition and Acquisition) Act 1965.

6. After Rule 8 of the principal rules, the following sub-rule 8 (A) shall be inserted namely:

**8(A) Establishment of temporary overground telegraph infrastructure:**

- a). In case of damage to any existing underground telegraph infrastructure for any reason the licensee, whose underground telegraph infrastructure is damaged, may temporarily establish the overground telegraph infrastructure in lieu of the damaged underground telegraph infrastructure, to restore the telegraph service for the period of sixty days from the date of reporting of damage of the infrastructure to the appropriate authority/district nodal officer.
- b). No fee or compensation shall be charged by the appropriate authority for the establishment of temporary overground telegraph infrastructure under this rule.

7. In Rule 11 of the principal rules, the following sub-rule shall be inserted, namely:

**11(iii) Deemed Approval:**

Application submitted under Rule 6,7 and 8 shall deemed to have been granted if the District Nodal Officer fails to grant permission or reject the application within 60 working days from the date of the submission of the application.

Provided that in case of rejection of the application within 60 working days, the applicant has to correct the deficiencies and re-submit the application, if the re-submitted application is not approved or rejected within 30 days from the date of the re-submission, permission shall deem to have been granted, the deemed permission shall be communicated to the applicant electronically from Single Window immediately.

The approving authority retains the right to verify the sites at a later date, and if deficiencies are found, a notice will be issued to the TSP/licensee for rectification or seek removal as per Rule 19 of the Guideline. The State reserves the right to extend the timeline in cases where additional scrutiny or public interest considerations arise, with clear communication to the licensee regarding the reasons for such an extension.

8. Rule 12 of the principal rules shall be substituted as below:

"The licensee shall pay the charges and fees as per **Schedule -I** of this rule."
